When you enter Dyess, the first thing you see is the new modern school plant. When Dyess High was first created in 1939, the enrollment was 960. At this time Dyess was one of the most booming communities in Arkansas.

Dyess High School grew to an unbelievable 1400 enrollment by 1941. DHS was the largest rural school in the United States. At present Dyess has an enrollment of 437.

We are now enjoying a new school with all its new equipment. The new math and Chemistry equipment is a great asset to the students. Sports fans really enjoy the convenience of our new gym, which seats 1000 spectators.

Another new feature is the improvements in our Home Economics building. The cottage, which was first built in 1939, has taken on a very noticable change with the remodeling of the interior.

Everyone, students and other members of the community, really enjoy and take pride in our new school plant.

OUR COMMUNITY SCHOOL

There is a school in our community,
A school of learning and opportunity.
This school is run in the very best way,
and 437 kids go there every day.
This school's colors are blue and white,
For a championship title, we will fight.
Our symbol is the Eagle, the bird of our nation,
and making champion ball players is our occupation.
Every man on our team is a good sport,
And plays clean ball on anyone's court.
The fans of our community are good sports too,
Because when the opposing teams score they never boo.
For in the end they all know,
The opposing team's score will hardly show.
It should be plain to any fool,
That this is the DYESS HIGH SCHOOL.

ANNUAL TAKES ON NEW COVER

Mrs. Vick

The year '66 brought many more changes in the "Eagle". The use of more pictures and pages is the most noticeable change. The cover has given this year's annual a much more enchanting and desirable appearance

The 1966 "Eagle" was published by the American Yearbook Co. and photography was done by Pinky Davis of Little Rock

The annual staff has been working real hard on the "Eagle" all year and they are sure it is one of the best!

Last Minute Rush!!

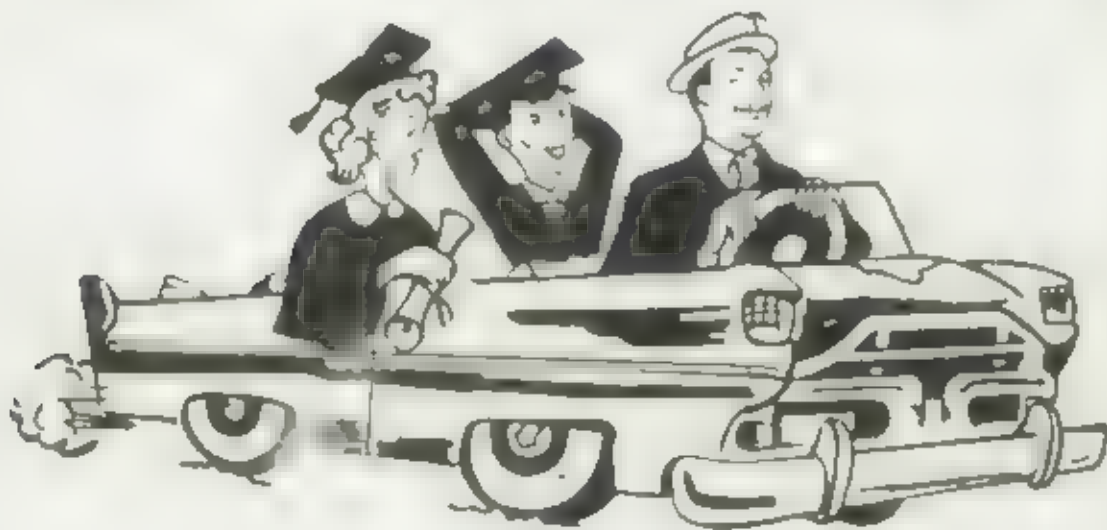

Dedication

We the Senior Class of 1966 take this opportunity to express our gratitude to three whose continuous faithfulness and guidance and interest has been a tribute to the Senior Class.

With this we humbly give our heartfelt thanks to our most appreciated sponsors, Mrs. Corinne M. Vick, Mr. Hoyt Mitchell, and to our custodian who has been a personal friend to all of us, and has offered his help in any of our undertakings, Mr. E.O. Woody

FOREWORD

He that governs well leads the blind,
But he that teaches gives them eyes

With the passage of years you may look back upon this school year as the time when the darkness of ignorance suddenly became bright with the gleam of knowledge

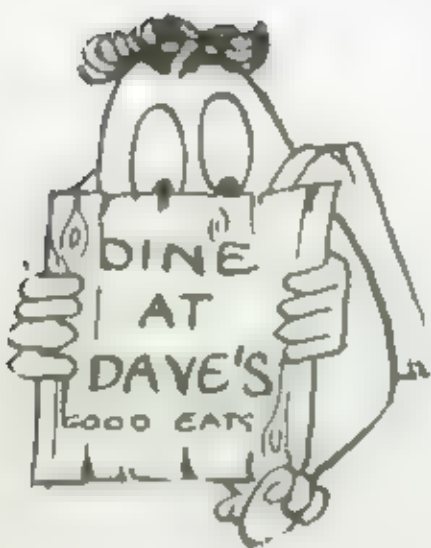

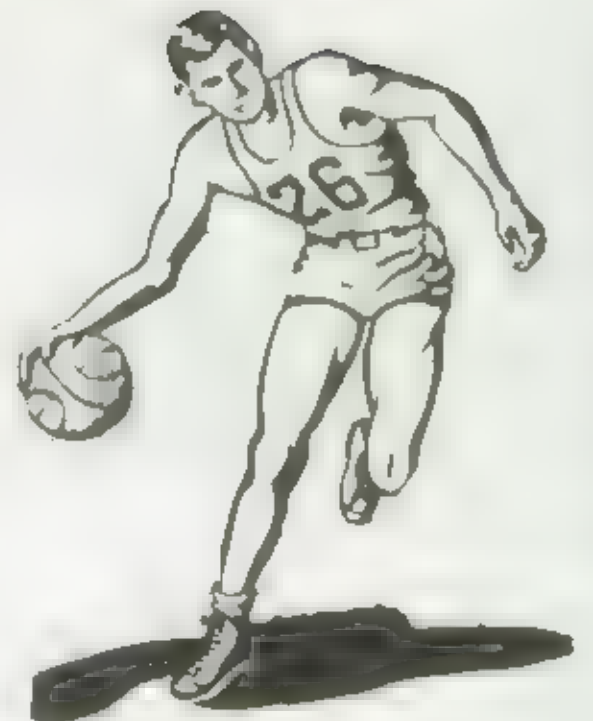

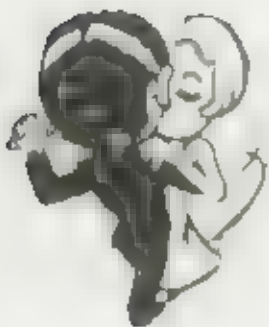

To preserve a record of these moments and the countless other experiences of you and your classmates, this annual strives to capture the 'eyes' and "mind" of the scholarship, the leadership, the activities, and the character of Dyess High School.

HOMECOMING

HOMECOMING SPARKED BY SCHOOL SPIRIT!

Homecoming, 1965-66 was an event that will stand out in the memories of all. Long hours were spent during the entire week planning and preparing for the one big night. The day of homecoming the commercial room (the senior's home room) looked more like an art class, with the paint, colors, and long sheets of paper for making posters. Some say it looked more like a disaster area! But the finished posters were well worth the effort. The homecoming mums were beautiful and everyone wore them proudly. Especially Miss Linda Balch who was crowned "Queen". Linda, very active in school activities, plans to attend ASC next year.

THANKS BOOSTERS

ADMINISTRATION

SUPERINTENDENT

MR. LYNN COX

One of the busiest persons around our school is our calm and efficient Superintendent. Other than the regular duties of a Superintendent, Mr. Cox has coached our junior and senior girls basketball teams.

To top off this full schedule he is attending class at the Memphis Branch of the University of Tennessee, working toward his Advanced Master's Degree.

Thank you Mr. Cox for your interest in the graduating class of 1965-66.

OUR PRINCIPAL

Well known around Dyess is our Principal, Mr. Allen. As a friend or as principal, he can't be beat in the opinion of most of the students. He holds meetings, makes announcements, frowns upon "bad" boys, and cries at graduation! He also does an outstanding job of coaching the junior and senior boys basketball teams. Although there is always plenty to keep him busy, he doesn't mind helping people with individual problems.

MISS HENARD

Her laugh and smile are familiar... "Give her a typewriter, a telephone, and a problem; she's content!" Let the office become noisy and she's very "disturbed." Being the office secretary means real work, and there's plenty that Miss Henard does in the Dyess office.

CAFETERIA

HATTI SMITH
NELL McARTHUR
CARLEEN OWEN

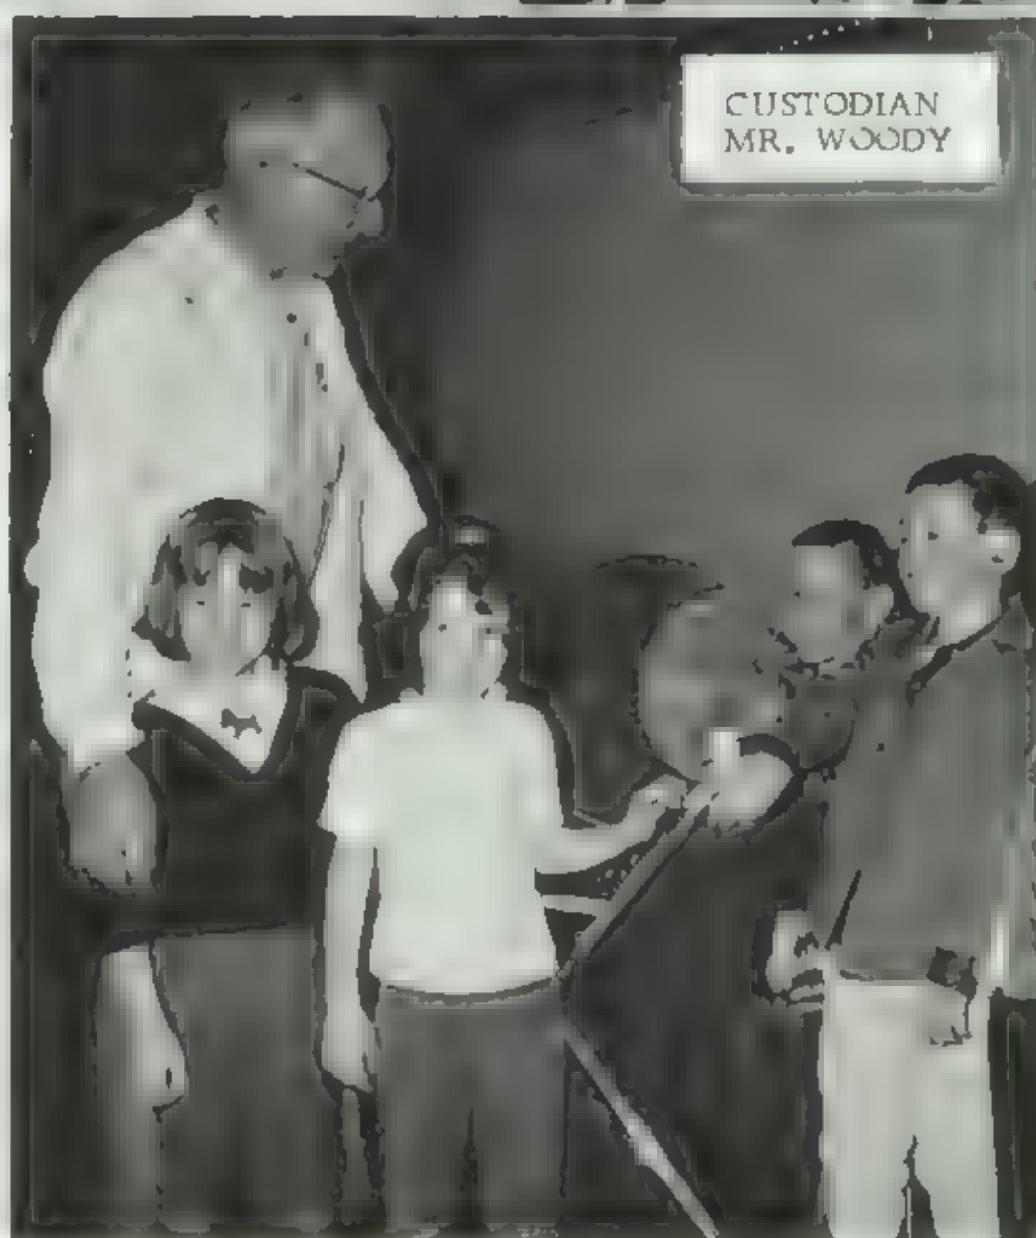

These ladies really have a large family to cook for when they plan and prepare lunch for the students and faculty of Dyess High.

Mr. Woody is the man who keeps our school bright and shiny clean with everything working properly. More than this, he is a personal friend to all the students.

We would like to thank you, Mr. Woody, for all that you have done to help us throughout our high school career.

For what then would we be remembered? Naturally we evidenced many weaknesses. We cannot say that this is the best class ever to be graduated from Dye, though such judgment is beyond our limits. But we have accepted our challenge and set a definite mark toward each in his chosen realm. As freshmen and now seniors we represent a variety in fulfillment. The evolution of specific traits is but one of the cornerstones of human history. We would be remembered then as students.
